

Community Service Hours Sheet

Community Service introduces students to the vast and varied needs of the greater community and prepares them for high school requirements. Through hands-on experience, students see that their time and efforts can have an important impact on the lives of others.

Students will be asked to complete up to **5 hours of community service** (ex: helping teacher organize library, putting up chairs at lunch, volunteering at an animal shelter)

Students can choose an act of service before school, recess/lunch, or after school with approval from a teacher/staff member or with an organization outside of school .
